1. **GENERAL/ACCEPTANCE** - This purchase order (which term shall be deemed to include plans, specifications, regulations and other documents to the extent that any of the same are incorporated by reference) becomes the exclusive agreement between the parties for the supplies/services subject to the terms and conditions herein. Any of the following shall constitute Seller's unqualified acceptance of this purchase order: (a) acknowledgment of this purchase order; (b) furnishing of any part of the supplies/services under this purchase order; (c) acceptance of any payment for the supplies/services or (d) commencement of performance under this purchase order. Any additional or different terms proposed by Seller are objected to and are hereby rejected unless the same shall be accepted in writing by Buyer.
2. **BUYER'S AUTHORIZED PURCHASING REPRESENTATIVE** - (a) Buyer's Authorized Purchasing Representative is the individual authorized by Buyer's cognizant procurement organization to administer and/or execute the purchase order. Buyer's Authorized Purchasing Representative has sole authority to make contractual commitments on behalf of Buyer, to provide contractual direction, and to change contractual requirements as defined in the purchase order.
(b) Buyer's engineering, technical personnel and other representatives may from time to time render assistance or give technical advice or discuss or effect an exchange of information with Seller's personnel concerning the supplies or services being provided under this purchase order. No such action shall be deemed to be a change under the Changes clause of this purchase order and shall not be the basis for an equitable adjustment.
3. **ASSIGNMENT, SUBCONTRACTING, AND PLACE OF PERFORMANCE** - (a) Neither this purchase order nor any payments, claim or interest hereunder are assignable or transferable, in whole or in part, without Buyer's written approval, which approval will not be unreasonably withheld. Buyer shall be entitled to the right of set-off against any amounts payable under this purchase order.
(b) Neither the entirety nor any part of this purchase order may be further subcontracted without the prior written consent of Buyer. This provision shall not apply to purchases of standard commercial articles, including electronic components or raw materials including casting, forgings, and rough welded structures on which Seller will perform further work.
(c) Seller further agrees that no subcontract placed under this purchase order shall provide for payment on a cost-plus-a-percentage-of-cost basis and Seller agrees to select subcontractors (including suppliers) on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this purchase order.

(d) Seller shall notify Buyer of any change in the place of performance, including but not limited to change in design, manufacturing, process, assembly, integration, or testing location of components or lower subassemblies, with regard to the requirements of this purchase order. Such notification shall be made to the Buyer's Authorized Purchasing Representative not less than thirty (30) days prior to the change to the place of performance. Buyer may charge to Seller any additional cost of inspection or requalification in connection with any change in the place of performance of this purchase order.

4. **CHANGES** - (a) Buyer's Authorized Purchasing Representative may at any time, by written order, without notice to any surety, make changes or additions within the general scope of this purchase order in any one or more of the following: (1) drawings, designs, statement of work or specifications, or other technical documents; (2) method of shipment or packing; (3) time and place of inspection, delivery or acceptance; (4) quantities, where reasonable; (5) delivery schedules, where reasonable; and (6) the amount of Buyer/Government-furnished property. Seller acknowledges any such direction provided by anyone other than Buyer's Authorized Purchasing Representative is of no force and effect and Seller accepts all risks of accepting and/or otherwise proceeding with such unauthorized direction.
(b) If any authorized change causes an increase or decrease in the cost of, or the time required for, performance of any work under this purchase order, whether changed or not changed by any such written order, Seller shall notify Buyer in writing immediately and an appropriate equitable adjustment will be made in the price or time of performance, or both, by written modification of this purchase order. Any claim by Seller for such adjustment must be asserted within fifteen (15) days, or such other period as may be agreed on in writing by the parties, after Seller's receipt of the notice of the change. Seller will make available its books and records for Buyer's examination to allow Buyer, its authorized representatives, and its customer, including the U.S. Government, to verify any claim for adjustment by Seller. If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the Disputes provision of this purchase order. Pending resolution of any such adjustment, Seller will diligently pursue the performance of the order as changed.
5. **CHOICE OF LAW** - Irrespective of the place of performance, this purchase order shall be governed and construed and all disputes arising under or related to this purchase order shall be resolved according to the law of the state from which this purchase order is issued, without regard to its conflict of laws principles.

Alternatively, Buyer may require Seller to provide consideration for the late delivery. This condition shall not limit Buyer's rights or remedies under the Termination clause of this purchase order.

14. QUANTITY - Buyer need not accept any variation in quantity except as specified in this purchase order. Over-shipments may be returned to Seller at Seller's expense, which shall include a reasonable cost for Buyer's handling, or be retained by Buyer at no increase in price. (b) Buyer, at its option, may require Seller to furnish evidence of insurance reasonably satisfactory to Buyer covering the liabilities and indemnification provided above but no acceptance of such evidence by Buyer shall be deemed a waiver or release of such liabilities or duty to indemnify. (c) Indemnification. Seller shall indemnify and save harmless Buyer from and against any and all damages, liabilities, penalties, fines, costs, and expenses, including attorneys' fees, arising out of claims, suit, allegations or charges of Seller's failure to comply with the provisions of this clause and breach of the warranty set forth in paragraph (a). Any failure of Seller to comply with the requirements or any breach of the warranty contained in this clause shall be a material breach of this purchase order.

Buyer shall have the right to request and have replaced any personnel who fail to perform to Buyer's satisfaction.
- 38. NON-WAIVER AND REMEDIES** - A party's failure at any time to enforce any provision of any purchase order shall not constitute a waiver of the provision or prejudice a party's right to enforce that provision at any subsequent time.
