Any additional or different terms proposed by Seller are objected to and rejected unless accepted in writing by Buyer.

**2. BUYER'S AUTHORIZED PURCHASING REPRESENTATIVE** - (a) Buyer's Authorized Purchasing Representative is the individual authorized by Buyer's cognizant procurement organization to administer and/or execute the purchase order. Buyer's Authorized Purchasing Representative has sole authority to make contractual commitments on behalf of Buyer, to provide contractual direction, and to change contractual requirements as defined in the purchase order.

(b) Buyer's engineering, technical personnel and other representatives may from time to time render assistance or give technical advice or discuss or effect an exchange of information with Seller's personnel concerning the supplies or services being provided under this purchase order. No such action shall be deemed to be a change under the Changes clause of this purchase order and shall not be the basis for an equitable adjustment.

**3. ASSIGNMENT, SUBCONTRACTING, AND PLACE OF PERFORMANCE** - (a) Neither this purchase order, nor any payments, claim or interest hereunder, are assignable or transferable without Buyer's written approval, which approval will not be unreasonably withheld.

(b) Neither the entirety nor any part of this purchase order may be further subcontracted without the prior written consent of Buyer. (c) Seller further agrees that no subcontract placed under this purchase order shall provide for payment on a cost-plus-a-percentage-of-cost-basis and to select subcontractors (including suppliers) on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this purchase order.

(d) Seller shall notify Buyer of any change in the place of performance including but not limited to change in design, manufacturing, process, assembly, integration, or testing location of components or lower subassemblies, with regard to the requirements of this purchase order. Any claim by Seller for such adjustment must be asserted within fifteen (15) days, or such other period as may be agreed on in writing by the parties, after Seller's receipt of notice of the change. Pursuant to the indemnity provisions of this purchase order, Seller shall indemnify and hold harmless the Buyer from any loss, cost, liability, damage, or penalty to Buyer by reason of Seller's nonperformance under this section. The rights of the parties hereunder shall survive completion or termination of this purchase order.

Prior to any proposed re-transfer, Seller shall first obtain the written consent of the Buyer. No consent granted by Buyer in response to Seller's request shall relieve Seller of its obligations to comply with the provisions of paragraph A of this clause or the Export Laws and Regulations, nor shall any such consent constitute a waiver of the requirements of paragraph A hereinabove, nor constitute consent for Seller to violate any provision of the Export Laws and Regulations.

B. Political Contributions, Fees and Commissions. If this purchase order is valued in an amount of \$500,000 or more, then in performance of this purchase order, Seller shall not directly or indirectly pay, offer or agree to pay any political contributions or any fees or commissions.

For Domestic Purchase Orders (purchase orders issued to entities addressed in the United States): Seller shall assume all U.S. import responsibilities, to include designation as U.S. Importer of Record, Customs clearance, duty, taxes, and fees for goods entering into the United States. Unless otherwise agreed in writing, Buyer will not assume any import liabilities for goods procured through a domestic purchase order.

D. Indemnification. Seller shall indemnify and save harmless Buyer from and against any and all damages, liabilities, penalties, fines, costs, and expenses, including attorneys fees, arising out of claims, suit, allegations or charges of Seller's failure to comply with the provisions of this Clause and breach of the warranty set forth in paragraph A or B. Any failure of Seller to comply with the requirements or any breach of the warranty contained in this Clause shall be a material breach of this purchase order.

E. Subcontracts. The substance of this clause shall be incorporated into any lower-tier subcontract or purchase order entered into by the Seller for the performance of any part of the work under this purchase order.

F. Notification. Seller agrees to provide prompt notification to Buyer in the event of changes in circumstances such as ineligibility to contract with U.S. Government, debarment, assignment of consent agreement, and initiation or existence of a U.S. Government investigation, that could affect Seller's performance under this purchase order. Seller further agrees to provide prompt notification to Buyer should any offer, agreement or payment of political contributions, fees or commissions (as defined herein and pursuant to this purchase order) be made in contravention of the prohibition in Section B.

36. **FIRST TIER SUBCONTRACT REPORTING** – If this purchase order is for an amount of \$30,000 or greater and issued pursuant to a government prime contract as a "first-tier subcontract" as that term is defined under FAR 52.204-10, Seller understands that certain information concerning the content of this purchase order is reportable by Buyer under the requirements of FAR 52.204-10 and will be made available to the public. Seller is required as a condition of acceptance of this purchase order to provide necessary information required by FAR 52.204-10, including executive compensation of Seller's top five executives, unless an exception or exemption applies. Failure to provide such information shall be a material breach by Seller.
37. **RESERVED**
38. **ANTIDUMPING/COUNTERVAILING DUTIES** - Seller must affirmatively determine whether Seller's product is subject to U.S. antidumping/countervailing duties (AD/CVD). Seller must continuously monitor Seller's materials sourcing, bills of material, and/or formulations for changes that might affect the validity of any origin determination or certificate of origin provided to Buyer. If any such change affects origin information or a certificate of origin provided to Buyer, Seller must immediately notify Buyer in writing.
40. **NON-WAIVER AND REMEDIES** - A party's failure at any time to enforce any provision of any purchase order shall not constitute a waiver of the provision or prejudice a party's right to enforce that provision at any subsequent time. The parties' rights and remedies as provided in this purchase order are in addition to others provided by law; any failure to state a right or remedy herein does not constitute a waiver of such other rights and remedies.
41. **LANGUAGE** - Unless otherwise agreed to in this purchase order, all documentation, handbooks, labels, identification markers, drawings, letters, and communications of any kind will be presented in the English language in accordance with United States American custom and usage.
