2. ACCEPTANCE

This Order is Buyer's offer to Seller to purchase the Products and/or Services described in this offer. Any additional terms proposed in Seller's acceptance of Buyer's offer including, but not limited to, shrink-wrapped or click-through terms not specifically negotiated and identified on the Order, which add to, vary from, or conflict with the terms herein are hereby objected to by Buyer. Any such proposed terms shall be void and the terms herein shall constitute the complete and exclusive statement of the terms and conditions of the contract between the Parties and may hereafter be modified only by written instrument executed by the authorized representatives of both Parties. Any of the following shall constitute Seller's unqualified acceptance of this Order and these terms and conditions: (a) acknowledgment of this Order; (b) furnishing of any part of the Products and/or Services under this Order; (c) acceptance of any payment for the Products/Services under this Order; or (d) commencement of performance under this Order.

3. ORDER OF PRECEDENCE

In the event of any inconsistency between any parts of this Order, the inconsistency shall be resolved by giving precedence in the following order:

- A. Contract Security Classification Specifications
- B. Change Order Document
- C. Order Document
- D. Order Terms and Conditions
- E. FAR/Defense FAR Supplement (DFARS) and Other Agency Supplemental Clauses
- F. Statement of Work
- G. Specifications/Drawings
- H. Quality/Mission Assurance Requirements
- I. Supplier Data Requirements List (SDRL)/Data Item Description (DID)
- J. Other Referenced Documents

4. ASSIGNMENT

- A. Seller shall not assign or transfer, in whole or in part, this Order or any of its rights, payments, claims or interest under this Order without Buyer's prior, written consent.
- B. Buyer may make direct settlements or adjustments in price, or both, with Seller under the terms of this Order notwithstanding any assignment of claims for money due or to become due under this Order and without notice to the assignee.

5. SUBCONTRACTING

- A. Seller shall not subcontract the entirety or any part of this Order without the prior, written authorization of Buyer, and Seller shall require a like agreement from immediate and lower-tier suppliers. This restriction on subcontracting shall not apply to authorized distributors, dealers, jobbers or industrial suppliers nor shall it apply to purchases of standard commercial articles, including electronic components or raw materials including castings, forgings, and rough welded structures on which Seller will perform further work.
- B. No subcontract placed under this Order shall provide for payment on a cost-plus-percentage-of-cost basis, any fee payable under cost reimbursement subcontracts shall not exceed the fee limitations in FAR subsection 15.404-4(c), and Seller agrees to select subcontractors/suppliers on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this Order.

6. ALLOWABLE COST, FEE AND PAYMENT

- A. For the performance of this Order, Buyer shall pay the following to Seller:
 - 1. The cost thereof determined by Buyer to be allowed in accordance with FAR 52.216-7 and the provisions of this Order (herein referred to as "Allowable Cost"), plus,
 - 2. Such fixed fee, if any, as may be provided in this Order or, if this is a Cost-Plus-Incentive Fee (CPIF) contract, a fee as determined in accordance with the provisions of the "Incentive Fee" clause herein. Fees paid to Seller's subcontractors and their lower-tier subcontractors under either Cost-Plus-Fixed-Fee (CPFF), Cost-Plus-Award-Fee (CPAF) or CPIF type subcontract which are in excess of the percentage authorized under the FAR for that type of contract, shall not be allowable hereunder. Supplemental to the foregoing, and except as may be expressly provided to the contrary herein, it is agreed that such items of direct and indirect cost as are concurrently and customarily accepted by the U.S.G. as allowable direct and indirect costs under Seller's U.S.G. cost type prime and subcontracts, if any, at the plant(s) of Seller engaged in the performance of this Order for Products or Services similar to those called for by this Order, shall be allowable direct and indirect costs under this Order to the extent such costs are properly allocable to this Order.
- B. Seller shall maintain complete and accurate books, records, documents, statement of costs, and other evidence and accounting procedures and practices (hereinafter collectively called the "Records") sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred and anticipated to be incurred for the performance of this Order. Seller agrees to make available at the office of Seller at all reasonable times prior to final payment, and for a period of one year thereafter, any of the Records for inspection, audit or reproduction by any authorized representative of Buyer. Each payment made shall be subject to reduction for amounts included in the related invoice which are found by Buyer upon such audit not to constitute Allowable Cost. Any payment may be reduced for overpayments, or increased for under-payments, on preceding invoices.

- C. Once each month Seller may submit to Buyer, in such form and reasonable detail as Buyer may require, an invoice supported by a statement of cost incurred by Seller in the performance of this Order and claimed to constitute Allowable Cost. For this purpose, except as provided herein with respect to pension, deferred profit sharing and employee stock ownership plan contributions, the term "costs" shall include only those recorded costs which result, at the time of the request for reimbursement, from payment by cash, check, interdivisional notices of payments, or other form of actual payment for Products or Services purchased directly for this Order, together with (when Seller is not delinquent in payment of costs of Order performance in the ordinary course of business) costs incurred, but not necessarily paid, for materials which have been issued from Seller's stores inventory and placed in the production process for use on this Order, for direct labor, direct travel, other direct in-house costs, and properly allocated and Allowable indirect Costs, as is shown by the Records, plus the amount of progress payments which have been paid to Seller's subcontractors under similar cost standards. In addition, when the aforementioned contributions are paid by Seller to the pension, profit sharing, or employee stock ownership plan funds less frequently than quarterly, accrued costs therefore shall be excluded from indirect costs for payment purposes until such costs are paid. If such contributions are paid on a quarterly or more frequent basis, accruals therefore may be included in indirect costs for payment purposes provided that they are paid to the fund within thirty (30) days after the close of the period covered. If payments are not made to the fund within such thirty (30) day period, these contributions shall be excluded from indirect cost for payment purposes until payment has been made. The restriction on payment more frequently than monthly and the requirement of prior payment for Products or Services purchased directly for this Order shall not apply where Seller is a small business concern.
- D. After receipt of each invoice and statement of cost, Buyer shall, except as otherwise provided in this Order and subject to the provision of B. above, make payment thereon within sixty (60) days, as approved by Buyer's PCO. Normally, payment of fee shall be made to Seller as specified in the Order; provided, however, after payment of eighty-five percent (85%) of the applicable fee as determined by Buyer to be appropriate, Buyer may withhold further payment of the fee until a reserve shall have been set aside in an amount which Buyer considers necessary to protect the interests of Buyer, but such reserve shall not exceed fifteen percent (15%) of the total applicable fee as determined by Buyer or one hundred thousand dollars (\$100,000), whichever is less. If this is a CPIF, and in the opinion of Buyer, Seller's performance or cost indicates that Seller will earn a fee less than the target fee, Buyer shall pay on the basis of such lesser fee as determined by Buyer to be appropriate; further, when Seller demonstrates that its performance and incurred costs clearly indicate that Seller will earn a fee significantly in excess of the target fee, Buyer may, in its sole discretion, pay on the basis of such higher fee as is determined by Buyer to be appropriate.
- E. On receipt and approval by Buyer of the invoice designated by Seller as the "Completion Invoice," and upon compliance by Seller with all the provisions of this Order (including, without limitation, the provisions relating to patents and the provisions of F. below), Buyer shall promptly pay to Seller any balance of Allowable Cost and any part of the fee which has been withheld pursuant to C. above or otherwise not paid to Seller. The Completion Invoice shall be submitted by Seller promptly following completion of the work under this Order but in no event later than six (6) months (or such period as Buyer may, in its discretion, approve in writing) from the date of such completion.
- F. Seller agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by Seller or any assignee under this Order shall be paid by Seller to Buyer, to the extent they are properly allocable to costs for which Seller has been reimbursed by Buyer under this Order. Reasonable expenses incurred by Seller for the purpose of securing such refunds, rebates, credits or other amounts shall be Allowable Costs hereunder when approved by Buyer. Prior to final payment under this Order, Seller and each assignee under this Order whose assignment is in effect at the time of final payment under this Order shall execute and deliver:
1. An assignment to Buyer, in form and substance satisfactory to Buyer, of refunds, rebates, credits, or other amounts (including any interest thereon) properly allocable to costs for which Seller has been reimbursed by Buyer under this Order; and
 2. A release discharging Buyer (and the Government, if a Government Contract number appears on the face of this Order), its officers, agents and employees from all liabilities, obligations and claims arising out of or under this Order, subject only to the following exceptions:
 - i. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible to exact statement by Seller; provided such amounts are supportable by Seller's accounting records;
 - ii. Claims, together with reasonable expenses incidental thereto, based upon liabilities of Seller to third parties arising out of performance of this Order; provided that such claims are not known to Seller on the date of the execution of the release, and provided further that Seller gives notice of such claims in writing to Buyer not more than three (3) years after the date of the release or the date of any notice to Seller that Buyer is prepared to make final payment, whichever is earlier; and
 - iii. Claims for reimbursement of costs (other than expenses of Seller by reason of its indemnification of Buyer and the Government against patent liability), including reasonable expenses incidental thereto, incurred by Seller under the provisions of this Order relating to patents.
- G. Buyer shall be entitled at all times to set off (a) any amount owing at any time from Seller to Buyer or any of its affiliated companies; (b) any damages resulting from Seller's default under or breach of any contract (including this Order and these terms or any other order); (c) any adjustment for shortage or rejection and any associated costs, against any amount payable at any time by Buyer or any of its affiliated companies to Seller.

7. INSPECTION AND CORRECTION – DEFECTS

- A. All Products, Services and Data under this Order shall be subject to inspection and test by Buyer and the U.S.G., to the extent practicable at all times and places including the period of performance and in any event prior to final acceptance. Except as otherwise specifically provided in this Order and notwithstanding the FOB point or any payment or prior inspection at source, final inspection and acceptance by Buyer shall be made at destination. Final inspection shall be made within a reasonable time, but in any event not more than sixty (60) days after receipt by Buyer at destination. Seller shall provide and maintain an inspection system acceptable to Buyer and the U.S.G., covering the work hereunder. Buyer and the U.S.G., through any of its authorized representatives, may inspect the plant(s) of Seller or of any of its subcontractors engaged in the performance of this Order. If any inspection or test is made by Buyer or the U.S.G. on the premises of Seller or a subcontractor, Seller shall provide and shall require its subcontractors to provide all reasonable facilities and assistance for the safety and convenience of Buyer and the U.S.G. inspectors in the performance of their duties. All inspections and tests by Buyer and the U.S.G. shall be performed in such a manner as will not unduly delay performance.
- B. Seller shall furnish to Buyer if requested all the information and Data as may be reasonably required by Buyer in order to perform inspection and acceptance.
- C. Inspection and acceptance of any Product(s) and/or Service(s) by Buyer or the U.S.G. shall not be deemed to alter or affect the obligations of Seller or the rights of Buyer and its customers under the correction of defects requirements below or as may be provided by law.

- D. Buyer's failure to inspect any of the Products hereunder shall neither relieve Seller from responsibility for such Products as are not in accordance with the requirements of this Order nor impose liability on Buyer therefore.
- E. If this Order, including those documents forming a part hereof by reference or incorporation, provides for or requires the submission of any of the Products or Data to Buyer for "First Article Inspection," testing or approval, any such inspecting, testing or approval given by Buyer, prior to final acceptance, shall not relieve Seller of its responsibility for complying with the specifications and other provisions of this Order. Any such inspection, testing or approval shall not be construed as an assumption by Buyer of the responsibility that such Product or Data complies or will comply with the specification or other provisions of this Order.
- F. At any time during performance of this Order or within the times set forth below or at such other time as may be provided in this Order after final acceptance of all of the Products, Services or Data to be delivered or performed under this Order, Buyer may require Seller to remedy by correction or replacement, as directed by Buyer, any failure by Seller to comply with the requirements of this Order, including defects in material or workmanship. Any time devoted to such correction or replacement shall not be included in the computation of the period of time specified below.
- G. Except as otherwise provided below, the allowability of the cost of any such replacement or correction shall be determined as provided in the clause of this Order entitled "Allowable Cost, Fee and Payment" but no additional fee shall be payable with respect thereto. Corrected Products shall not be tendered again for acceptance unless the former tender and the requirement of correction are disclosed.
- H. If Seller fails to proceed with reasonable promptness to perform such replacement or correction, Buyer (1) may by separate contract with third persons or otherwise perform such replacement or correction and charge to Seller any increased cost occasioned Buyer thereby, or may reduce any fee payable under this Order (or require repayment of any fee previously paid) in such amount as may be equitable under the circumstances, or (2) in the case of Products not delivered, may require the delivery of such Products and shall have the right to reduce any fee payable under this Order (or to require repayment of any fee previously paid) in such amount as may be equitable under the circumstances, or (3) may cancel this Order for default.
- I. Notwithstanding the provisions above, Buyer may at any time require Seller to remedy by correction or replacement, without cost to Buyer, any failure by Seller to comply with the requirements of this Order if such failure is due to fraud, lack of good faith or willful misconduct on the part of any Seller's directors or officers, or on the part of any of its managers, superintendents, or other equivalent representatives, who have supervision or direction of (1) all or substantially all of Seller's business, or (2) all or substantially all of Seller's operations at any one plant or separate location in which this Order is being performed; or (3) a separate and complete major industrial operation in connection with the performance of this Order. Buyer may at any time also require Seller to remedy by correction or replacement, without cost to Buyer, any such failure or defective Products caused by one or more individual employees selected or retained by Seller after any such supervisory personnel has reasonable grounds to believe that any such employee is habitually careless or otherwise unqualified.
- J. The above provisions shall apply to any corrected or replacement Product or part or component thereof for a reasonable period of time after final inspection (depending on the requirements or specification and the type and durability of the ordered Product), but in any event, not less than six (6) months from the date of such final acceptance.
- K. Seller shall make its records of all inspection work available to Buyer and to the U.S.G., during the performance of this Order and for such longer period as may be specified in this Order.
- L. Corrected or replaced Products shall be subject to the provisions of this clause in the same manner and to the same extent as Products originally delivered under this Order.
- M. Seller shall have no obligation or liability under this Order to replace Products that were nonconforming at the time of delivery, except as provided in this clause or as may be otherwise provided in this Order.
- N. Except as otherwise provided in this Order, Seller's obligation to correct or replace Buyer or U.S.G. furnished property shall be governed by the "Government or Buyer Property" clause provided herein or such additional property terms as made part of this Order.

8. CHANGES

- A. Buyer's PCO may at any time, by written order, and without notice to sureties or assignees, if any, make changes within the general scope of this Order in (1) drawings, designs, statement of work, specifications, planning and /or other technical documents; (2) method of shipment, packaging, or packing; (3) time and place of inspection, delivery or acceptance; (4) reasonable adjustments in quantities and/or delivery schedules; (5) place of performance of the Service; (6) the amount of Buyer/Government furnished property; and (7) terms and conditions required to meet Buyer's obligations under its Prime Contracts, including, but not limited to, any mandatory flow-down clauses.
- B. If any authorized change causes an increase or decrease in the cost or time required to perform this Order, Buyer and Seller shall negotiate an equitable adjustment in the price and/or schedule, to reflect the increase or decrease. Buyer shall modify this Order in writing accordingly.
 - 1. Any claim for adjustment shall be unconditionally waived unless: (i) asserted in writing and delivered to Buyer within fifteen (15) days of the date of the written change order and (ii) a fully supported proposal is delivered to Buyer's PCO within thirty (30) days of the date of the written change order.
 - 2. If Seller claims the cost of any Product made obsolete or excess, Buyer shall have the right to prescribe the manner of disposition of the Product to include the right to acquire that Product for cost claimed.
 - 3. Buyer, its authorized representatives, and its customer have the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim. However, at Seller's request, in lieu of Buyer, a mutually agreeable third party can examine books and records to verify Seller's claim.
- C. Notwithstanding any other provisions of this clause, the estimated cost of this Order and, if this Order is incrementally funded, the funds allotted for the performance of this Order, shall not be increased or considered to be increased except by specific written modification of this Order indicating the new Order estimated or target cost and, if this Order is incrementally funded, the new amount allotted to this Order. Until this modification is made, Seller shall not be obligated to continue performance or incur costs beyond the point established in the "Limitation of Cost" or "Limitation of Funds" clauses in this Order.
- D. Buyer's engineering, technical personnel and other representatives may from time to time render assistance or give technical advice or discuss issues or engage in an exchange of information with Seller's personnel concerning the Products or Services hereunder. No such action shall be deemed to be a change, nor shall it be the basis for an equitable adjustment, and no such action shall relieve Seller of its obligations under this Order.

9. GOVERNING LAW

Both Parties agree that, irrespective of the place of performance of this Order, this Order will be governed, construed, and interpreted according to the law of the Commonwealth of Virginia, without regard to its conflict of laws principles. The 1980 United Nations Convention on Contracts for the International Sale of Goods and its related instruments will not apply to this Order.

10. DISPUTES

- A. Any dispute arising under or in connection with this Order with respect to the rights, duties, or obligations of the Parties shall be submitted in writing for resolution to ascending levels of management of the respective Parties.
- B. If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within ninety (90) days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon in writing, either Party may bring suit only in a state or federal court located in the Commonwealth of Virginia. Seller consents to personal jurisdiction for this purpose in the Commonwealth of Virginia.
- C. Pending any prosecution, appeal, or final decision referred to in this clause, or the settlement of any dispute arising under this Order, both Parties shall proceed diligently, with their respective obligations under this Order.
- D. To the maximum extent permitted by law, the Parties waive any right to a jury trial.
- E. In no event shall Buyer be liable for anticipated profits, incidental or consequential damages. Buyer's liability on any claim, of any kind and for any loss or damage arising out of, connected with or resulting from this Order, or from the performance or breach thereof shall, in no case, exceed the price allocable to the Products and/or Services, or unit thereof, which gives rise to the claim. Buyer shall not be liable for penalties of any description. Any action resulting from any breach on the part of Buyer as to the Products and/or Services delivered hereunder must be commenced within one year after the cause of action has accrued.
- F. In no event shall Seller acquire any direct claim, or direct course of action against the U.S.G. except as approved by Buyer pursuant to this clause or as otherwise authorized by law.

11. GOVERNMENT OR BUYER PROPERTY

- A. Title to all property furnished to Seller by Buyer, or paid for by Buyer or U.S.G. shall remain with Buyer or U.S.G., as applicable. Seller shall not alter or use such property for any purpose or for any other party other than that specified by Buyer, without the prior written consent of Buyer. If Buyer agrees to pay Seller for acquisition of tooling and equipment, either separately or as a stated part of the unit price of Products purchased herein, title to the same shall pass to Buyer or U.S.G., as applicable, upon (i) commencement of processing for use in performance of this Order, or (ii) Buyer payment therefore, whichever occurs first.
- B. Seller shall assume the risk of, and be responsible for, any loss, theft, destruction of or damage to Buyer or U.S.G. property while in Seller's possession or control. If Seller damages any property, Seller shall be responsible for making repairs at no cost to Buyer. Upon Buyer's written request to Seller for any property under this clause, if Seller cannot locate Buyer or U.S.G. property within five (5) days, Seller shall notify Buyer that the item was not located and Seller subsequently has twenty (20) days to find the misplaced property. After such period, if it has not been located, the property shall be deemed "lost" and at Buyer's election, Seller shall either reimburse Buyer for the replacement and all related delay costs, or remake the lost property at no cost to Buyer.
- C. Seller shall return all such property in a condition as good as when received except for reasonable wear and tear. Seller shall establish and maintain a property control system approved by Buyer and in accordance with the provisions of FAR 52.245-1 for the control of U.S.G. or Buyer owned property. Seller shall also notify Buyer if its property system is deemed inadequate by the U.S.G. At all times, Buyer and the U.S.G., as applicable, shall have access to Seller's facilities for the purpose of reviewing its compliance with the management of U.S.G. or Buyer property related to this Order.

12. TERMINATION

Buyer may at any time terminate all or any part of this Order in accordance with the contract clause entitled "Termination (Cost-Reimbursement)" set forth at 52.249-6, as modified in 49.503(a)(4), which clause is hereby incorporated herein and made a part hereof by this reference, except that the term "contract" therein shall mean this Order, the terms "Contracting Officer" and "Government" therein shall mean "Buyer", the term "Contractor" therein shall mean "Seller", paragraphs (e) and (j) thereof are deleted, the period "120 days" in paragraph (d) is changed to "60 days", the period "1 year" in paragraph (f) is changed to "3 months"; provided, however, that if this Order is a first-tier subcontract under a U.S. Government Prime Contract, the period "1 year" in paragraph (f) is changed to "180 days".

13. TAXES AND DUTIES

The price of this Order includes all applicable foreign and domestic federal, state, and local taxes, duties, tariffs, and similar fees ("Taxes") levied upon, or measured by, the sale, the sales price, or use of Products and/or the performance of Services associated with this Order. Seller shall separately list on its invoice (or voucher) any Taxes. Seller shall comply with any reasonable request by Buyer regarding Tax payments under protest and shall make appropriate adjustments to afford Buyer the benefit of any refund or reduction in Taxes.

14. INFORMATION OF BUYER AND SELLER

- A. Unless expressly stated otherwise herein, the exchange of information under this Order shall be governed by this Order and, in particular this clause 14 which supersedes any prior agreement between Buyer and Seller to protect information relating to the purpose of this Order.
- B. "Proprietary Information" means all Data or other information exchanged under this Order in written or other permanent form that is identified in writing at the time of disclosure as proprietary and marked with an appropriate legend, marking or stamp identifying the Data as proprietary to the Party disclosing the information, and includes any information marked with a restrictive legend as prescribed in the DFARS 252.227-7013 or 252.227-7014 or in the FAR 52.227-14. Proprietary Information shall also include information originally disclosed in some other form (e.g., orally or visually) to the extent that the disclosing Party:
 - 1. Identifies the information as proprietary at the time of original disclosure;
 - 2. Summarizes the Proprietary Information in writing;
 - 3. Marks the writing clearly and conspicuously with an appropriate proprietary legend; and,
 - 4. Delivers the writing to the receiving Party within thirty (30) days of the original disclosure.
- C. Seller shall make no use, either directly or indirectly, of any of Buyer's Proprietary Information or any information derived therefrom, except in performing this Order, without obtaining Buyer's written consent and shall return Buyer's Proprietary Information upon Buyer's request. The foregoing limitation on disclosure and use shall not apply to Data or information which (i) was in the rightful possession of the receiving Party without restriction, prior to the first receipt from the disclosing Party; or (ii) now or hereafter, through no act or failure to act on the part of the receiving Party, becomes generally known and available to the public without restriction; or (iii) is hereafter disclosed and made available to a receiving Party without restriction by others having the right to make such disclosure.
- D. Seller agrees that all information heretofore or hereafter furnished or disclosed to Buyer by Seller in connection with the placing or performance of this Order is furnished or disclosed as a part of the consideration for this Order; that such information is not, unless otherwise agreed to by Buyer in writing, to be treated as confidential or proprietary; and that Seller shall assert no claims (other than for patent infringement) by reason of the use or disclosure of such information by Buyer, its assigns, or its customers and Seller shall not place any restrictive markings on such information. Any agreement purporting to provide for the confidential treatment of, or limiting the use of or disclosure of, Seller information so furnished or disclosed, must be in writing and signed by Buyer.

- E. Seller further hereby grants to Buyer a non-exclusive, irrevocable, worldwide, right and license to copy, modify, use and disclose to the U.S.G. or any higher tier contractor, any information received from Seller, including Seller Proprietary Information, for the performance of this Order and any higher tier contract from which this Order is issued.
- F. All documents and other tangible media (excluding Products) transferred in connection with this Order, together with any copies thereof, are and remain the property of Buyer.
- G. Neither the existence of this Order nor the disclosure hereunder of Proprietary Information or any other information shall be construed as granting expressly, by implication, by estoppel or otherwise, a license under any invention or patent now or hereafter owned or controlled by Buyer or Buyer's customer, except as specifically set forth herein.
- H. Seller's obligations with respect to information or Data disclosed hereunder prior to the performance in full, termination or cancellation of this Order shall not, except as expressly set forth herein, be affected by such performance in full, termination or cancellation.
- I. Notwithstanding the foregoing, nothing in this clause is intended to affect the rights or exercise of rights, if any, obtained by the U.S. Government under the "Rights in Technical Data – Noncommercial Items" clause, DFARS 252.227- 7013, and "Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation" clause, DFARS 252.227-7014, or any similar or successor clauses, or other clauses that may be contained in any contracts or subcontracts between Buyer and Seller and any customer.

15. SUBCONTRACT DELIVERABLES

Seller agrees and acknowledges that all deliverables, or portions thereof, under this Order ("Deliverable Materials") may be incorporated into deliverables under the next higher tier or Prime Contract. Seller hereby grants Buyer the right to deliver the Deliverable Materials or any portion thereof under the next higher tier or Prime Contract.
