- I. Notwithstanding the provisions above, Buyer may at any time require Seller to remedy by correction or replacement, without cost to Buyer, any failure by Seller to comply with the requirements of this Order if such failure is due to fraud, lack of good faith or willful misconduct on the part of any Seller's directors or officers, or on the part of any of its managers, superintendents, or other equivalent representatives, who have supervision or direction of (1) all or substantially all of Seller's business, or (2) all or substantially all of Seller's operations at any one plant or separate location in which this Order is being performed; or (3) a separate and complete major industrial operation in connection with the performance of this Order. This Order supersedes and cancels all prior understandings, proposals, communications, whether oral or written, and agreements between the Parties, whether such understandings, proposal, communications, and agreements were written or oral, concerning the matters addressed in this Order. Seller shall, at its own expense, defend, indemnify and hold harmless Buyer from any claims or suits brought and liabilities and losses sustained by any third party for injury to persons or damage to property, arising in whole or in part out of the acts or omissions of Seller, its subcontractors, agents, or employees in the performance of this Order. Seller shall remove such employee, agent or representative from the premises immediately.
- C. At all times Seller shall use suitable safety precautions, including, as a minimum, those safety precautions issued in instructions and directions by Buyer or Buyer's customer. Such safety precautions shall include, but not be limited to, the use of proper materials, tools, equipment and other safeguards, as appropriate.

- B. Upon the request of Buyer, Seller shall submit verification of citizenship, lawful permanent resident status, protected individual status, or employment eligibility status to Buyer for each employee who will perform Services under this Order. Examples of documents that may be considered satisfactory are state birth certificates, U.S. passports, U.S. naturalization papers, and "green" cards (I-551) issued by the U.S.

Department of Immigration and Naturalization. Consistent with Immigration Reform and Control Act (IRCA), the order of presentment of such documents shall be the sole prerogative of Seller's employees. If these documents are not available, a compilation of other evidence may suffice.

- C. Employees of Seller not listed on the Certification of Employees or providing individual proof of U.S. citizenship, or other status as described in subparagraph B. above, may be denied access to Buyer's premises.

67. - 74. RESERVED.

75. ALLOWABLE COST, FEE AND PAYMENT.

- A. For the performance of this Order, Buyer shall pay the following to Seller:
 - 1. The cost thereof determined by Buyer to be allowed in accordance with FAR 52.216-7 and the provisions of this Order (herein referred to as "Allowable Cost"), plus,
 - 2. Such fixed fee, if any, as may be provided in this Order or, if this is a cost-plus-incentive fee (CPIF) contract, a fee as determined in accordance with the provisions of the "Incentive Fee" clause herein. Fees paid to Seller's subcontractors and their lower-tier subcontractors under either cost-plus-fixed-fee (CPFF), cost-plus-award-fee (CPAF) or CPIF type subcontracts which are in excess of the percentage authorized under the FAR for that type of contract, shall not be allowable hereunder. Supplemental to the foregoing and except as may be expressly provided to the contrary herein, it is agreed

that such items of direct and indirect cost as are concurrently and customarily accepted by the Government as allowable direct and indirect costs under Seller's Government cost type prime and subcontracts, if any, at the plant or plants of Seller engaged in the performance of this Order for Products or Services similar to those called for by this Order, shall be allowable direct and indirect costs under this Order to the extent such costs are properly allocable to the Order.

- B. Seller shall maintain complete and accurate books, records, documents, statement of costs, and other evidence and accounting procedures and practices (hereinafter collectively called the "Records") sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred and anticipated to be incurred for the performance of this Order. Seller agrees to make available at the office of Seller at all reasonable times prior to final payment and for a period of one year thereafter any of the Records for inspection, audit or reproduction by any authorized representative of Buyer. Each payment made shall be subject to reduction for amounts included in the related invoice which are found by Buyer upon such audit not to constitute Allowable Cost. Any payment may be reduced for overpayments, or increased for underpayments, on preceding invoices.
- C. Once each month Seller may submit to Buyer, in such form and reasonable detail as Buyer may require, an invoice supported by a statement of cost incurred by Seller in the performance of this Order and claimed to constitute Allowable Cost. For this purpose, except as provided herein with respect to pension, deferred profit sharing and employee stock ownership plan contributions, the term "costs" shall include only those recorded costs which result, at the time of the request for reimbursement, from payment by cash, check, interdivisional notices of payments, or other form of actual payment for Products or Services purchased directly for the Order, together with (when Seller is not delinquent in payment of costs of Order performance in the ordinary course of business) costs incurred, but not necessarily paid, for materials which have been issued from Seller's stores inventory and placed in the production process for use on the Order, for direct labor, for direct travel, for other direct in-house costs, and for properly allocated and Allowable indirect Costs, as is shown by Records, plus the amount of progress payments which have been paid to Seller's subcontractors under similar cost standards.

In addition, when the aforementioned contributions are paid by Seller to the pension, profit sharing, or employee stock ownership plan funds less frequently than quarterly, accrued costs therefore shall be excluded from indirect costs for payment purposes until such costs are paid. If such contributions are paid on a quarterly or more

frequent basis, accruals therefore may be included in indirect costs for payment purposes provided that they are paid to the fund within thirty (30) days after the close of the period covered. If payments are not made to the fund within such thirty day period, these contributions shall be excluded from indirect cost for payment purposes until payment has been made. The restriction on payment more frequently than monthly and the requirement of prior payment for Products or Services purchased directly for the Order shall not apply where Seller is a small business concern.

- D. Promptly after receipt of each invoice and statement of cost, Buyer shall, except as otherwise provided in this Order and subject to the provision of B. above, make payment thereon as approved by Buyer's purchasing representative. Normally, payment of fee shall be made to the Seller as specified in the Order; provided, however, after payment of eighty-five percent (85%) of the applicable fee as determined by Buyer to be appropriate, Buyer may withhold further payment of the fee until a reserve shall have been set aside in an amount which Buyer considers necessary to protect the interests of Buyer, but such reserve shall not exceed fifteen percent (15%) of the total applicable fee as determined by Buyer or One Hundred Thousand Dollars (\$100,000), whichever is less. If this is a cost-plus-incentive-fee contract (CPIF), and in the opinion of Buyer, Seller's performance or cost indicates that Seller will earn a fee less than the target fee, Buyer shall pay on the basis of such lesser fee as determined by Buyer to be appropriate; further, when Seller demonstrates that its performance and incurred costs clearly indicate that Seller will earn a fee significantly in excess of the target fee, Buyer may, in its sole discretion, pay on the basis of such higher fee as is determined by Buyer to be appropriate.
- E. On receipt and approval by Buyer of the invoice designated by Seller as the "Completion Invoice," and upon compliance by Seller with all the provisions of this Order (including, without limitation, the provisions relating to patents and the provisions of F. below), Buyer shall promptly pay to Seller any balance of Allowable Cost and any part of the fee which has been withheld pursuant to C. above or otherwise not paid to Seller. The Completion Invoice shall be submitted by Seller promptly following completion of the work under this Order but in no event later than six (6) months (or such period as Buyer may, in its discretion, approve in writing) from the date of such completion.
- F. Seller agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by Seller or any assignee under this Order shall be paid by Seller to Buyer, to the extent they are properly allocable to costs for which Seller has been reimbursed by Buyer under this Order. Reasonable expenses incurred

by Seller for the purpose of securing such refunds, rebates, credits or other amounts shall be Allowable Costs hereunder when approved by Buyer. Prior to final payment under this Order, Seller and each assignee under this Order whose assignment is in effect at the time of final payment under this Order shall execute and deliver:

1. An assignment to Buyer, in form and substance satisfactory to Buyer, of refunds, rebates, credits, or other amounts (including any interest thereon) properly allocable to costs for which Seller has been reimbursed by Buyer under this Order; and
2. A release discharging Buyer (and the Government, if a Government Contract number appears on the face of this Order), its officers, agents and employees from all liabilities, obligations and claims arising out of or under this Order, subject only to the following exceptions:
3. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible to exact statement by Seller; provided such amounts are supportable by Seller's accounting records;
4. Claims, together with reasonable expenses incidental thereto, based upon liabilities of Seller to third parties arising out of performance of this Order; provided that such claims are not known to Seller on the date of the execution of the release, and provided further that Seller gives notice of such claims in writing to Buyer not more than three (3) years after the date of the release or the date of any notice to Seller that Buyer is prepared to make final payment, whichever is earlier; and
5. Claims for reimbursement of costs (other than expenses of Seller by reason of its indemnification of Buyer and the Government against patent liability), including reasonable expenses incidental thereto, incurred by Seller under the provisions of this Order relating to patents.

76. PLACE OF PERFORMANCE.

- A. Seller shall perform work called for herein at Seller's plants as set forth elsewhere in this Order except for work to be accomplished by subcontractors.
- B. Seller shall promptly notify Buyer of any contemplated change in location for the performance of work from the locations designated above. Prior approval of Buyer shall be obtained by Seller before making any change in location for the performance of work herein if the cost of performing such work is estimated to exceed \$100,000.

Seller shall promptly replace such suspect/counterfeit parts with parts acceptable to the Buyer and the Seller shall be liable for all costs relating to the removal and replacement of said parts, including without limitation Buyer's external and internal costs of removing such counterfeit parts, of reinserting replacement parts and of any testing necessitated by the reinstallation of Seller's goods after counterfeit parts have been exchanged. Buyer's remedies described herein shall not be limited by any other clause which is agreed upon between Buyer and Seller in this Order. At Buyer's request, Seller shall return any removed counterfeit parts to Buyer in order that Buyer may turn such parts over to its Government customer for further investigation. Seller agrees that any Government or quasi-Government directive, such as a GIDEP alert indicating that such parts are counterfeit, shall be deemed definitive evidence that Seller's parts contain counterfeit parts.

Such measures may include, but are not limited to, physical security of manufacturing, packing and shipping areas, restrictions on access of unauthorized personnel to such areas; personnel screening to the maximum limits of law or regulations in Seller's or manufacturer's country; and development, implementation and maintenance of procedures to protect the security and integrity of all shipments. - C. By accepting this Order, Seller recognizes and agrees that Buyer will thereafter act in reliance on Seller's acceptance of this Order as a contractual commitment that it is in compliance with EU REACH regulations, subject to the further provisions below.
- D. Should any Products contain substances listed on the Candidate List that are above 0.1% on a weight by weight basis within that Product, Seller shall provide Buyer with so-called Safe-Use information, pursuant to the provisions of REACH Article 33 and shall maintain the REACH database for the life of this Order.
- E. As indicated, Buyer will act in reliance on the statements and commitments Seller makes regarding the Candidate List status of each of the substances contained in any of the Products. If Seller fails to comply with the provisions of this clause, Buyer may consider whether such failure constitutes a breach of this Order sufficient to warrant Termination for Default in accordance with the terms of this Order. Moreover, in the event failure to timely comply with these provisions results in a business interruption of Buyer's operations, Buyer will seek to recover the damages, including financial losses, it suffers as a consequence of such failure.
