- A. For the performance of this Order, Buyer shall pay the following to Seller:
 - 1. The cost thereof determined by Buyer to be allowed in accordance with FAR 52.216-7 and the provisions of this Order (herein referred to as "Allowable Cost"), plus,
 - 2. Such fixed fee, if any, as may be provided in this Order or, if this is a cost-plus-incentive fee (CPIF) contract, a fee as determined in accordance with the provisions of the "Incentive Fee" clause herein. Fees paid to Seller's subcontractors and their lower-tier subcontractors under CPFF, CPAF or CPIF type subcontracts which are in excess of the percentage authorized under the FAR for that type of contract, shall not be allowable hereunder. Supplemental to the foregoing and except as may be expressly provided to the contrary herein, it is agreed that such items of direct and indirect cost as are concurrently and customarily accepted by the Government as allowable direct and indirect costs under Seller's Government cost type prime and subcontracts, if any, at the plant or plants of Seller engaged in the performance of this Order for Products or Services similar to those called for by this Order, shall be allowable direct and indirect costs under this Order to the extent such costs are properly allocable to the Order.
- B. Seller shall maintain complete and accurate books, records, documents, statement of costs, and other evidence and accounting procedures and practices (hereinafter collectively called the "Records") sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred and anticipated to be incurred for the performance of this Order. Seller agrees to make available at the office of Seller at all reasonable times prior to final payment and for a period of one year thereafter any of the Records for inspection, audit or reproduction by any authorized representative of Buyer. Each payment made shall be subject to reduction for amounts included in the related invoice which are found by Buyer upon such audit not to constitute Allowable Cost. Any payment may be reduced for overpayments, or increased for underpayments, on preceding invoices.
- C. Once each month Seller may submit to Buyer, in such form and reasonable detail as Buyer may require, an

invoice supported by a statement of cost incurred by Seller in the performance of this Order and claimed to constitute Allowable Cost. For this purpose, except as provided herein with respect to pension, deferred profit sharing and employee stock ownership plan contributions, the term "costs" shall include only those recorded costs which result, at the time of the request for reimbursement, from payment by cash, check, interdivisional notices of payments, or other form of actual payment for Products or Services purchased directly for the Order, together with (when Seller is not delinquent in payment of costs of Order performance in the ordinary course of business) costs incurred, but not necessarily paid, for materials which have been issued from Seller's stores inventory and placed in the production process for use on the Order, for direct labor, for direct travel, for other direct in-house costs, and for properly allocated and Allowable indirect Costs, as is shown by Records, plus the amount of progress payments which have been paid to Seller's subcontractors under similar cost standards.

In addition, when the aforementioned contributions are paid by Seller to the pension, profit sharing, or employee stock ownership plan funds less frequently than quarterly, accrued costs therefore shall be excluded from indirect costs for payment purposes until such costs are paid. If such contributions are paid on a quarterly or more frequent basis, accruals therefore may be included in indirect costs for payment purposes provided that they are paid to the fund within thirty (30) days after the close of the period covered. If payments are not made to the fund within such thirty day period, these contributions shall be excluded from indirect cost for payment purposes until payment has been made. The restriction on payment more frequently than monthly and the requirement of prior payment for Products or Services purchased directly for the Order shall not apply where Seller is a small business concern.

- D. Promptly after receipt of each invoice and statement of cost, Buyer shall, except as otherwise provided in this Order and subject to the provision of B. above, make payment thereon as approved by Buyer's purchasing representative. Normally, payment of fee shall be made to the Seller as specified in the Order; provided, however, after payment of eighty-five percent (85%) of the applicable fee as determined by Buyer to be appropriate, Buyer may withhold further payment of the fee until a reserve shall have been set aside in an amount which Buyer considers necessary to protect the interests of Buyer, but such reserve shall not exceed fifteen percent (15%) of the total applicable fee as determined by Buyer or One Hundred Thousand Dollars (\$100,000), whichever is less. If this is a cost-plus-incentive-fee contract (CPIF), and in the opinion of Buyer, Seller's performance or cost indicates that Seller will earn a fee less than the target fee, Buyer shall pay on

the basis of such lesser fee as determined by Buyer to be appropriate; further, when Seller demonstrates that its performance and incurred costs clearly indicate that Seller will earn a fee significantly in excess of the target fee, Buyer may, in its sole discretion, pay on the basis of such higher fee as is determined by Buyer to be appropriate.

- E. On receipt and approval by Buyer of the invoice designated by Seller as the "Completion Invoice," and upon compliance by Seller with all the provisions of this Order (including, without limitation, the provisions relating to patents and the provisions of F. below), Buyer shall promptly pay to Seller any balance of Allowable Cost and any part of the fee which has been withheld pursuant to C. above or otherwise not paid to Seller. The Completion Invoice shall be submitted by Seller promptly following completion of the work under this Order but in no event later than six (6) months (or such period as Buyer may, in its discretion, approve in writing) from the date of such completion.
- F. Seller agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by Seller or any assignee under this Order shall be paid by Seller to Buyer, to the extent they are properly allocable to costs for which Seller has been reimbursed by Buyer under this Order. Reasonable expenses incurred by Seller for the purpose of securing such refunds, rebates, credits or other amounts shall be Allowable Costs hereunder when approved by Buyer. Prior to final payment under this Order, Seller and each assignee under this Order whose assignment is in effect at the time of final payment under this Order shall execute and deliver:
1. An assignment to Buyer, in form and substance satisfactory to Buyer, of refunds, rebates, credits, or other amounts (including any interest thereon) properly allocable to costs for which Seller has been reimbursed by Buyer under this Order; and
 2. A release discharging Buyer (and the Government, if a Government Contract number appears on the face of this Order), its officers, agents and employees from all liabilities, obligations and claims arising out of or under this Order, subject only to the following exceptions:
 3. Specified claims in stated amounts or in estimated amounts where the amounts are not susceptible to exact statement by Seller; provided such amounts are supportable by Seller's accounting records;
 4. Claims, together with reasonable expenses incidental thereto, based upon liabilities of Seller to third parties arising out of performance of this Order; provided that such claims are not known to Seller on the date of the execution of the release, and provided further that Seller gives notice of such claims in writing to Buyer not more than three (3) years after the date of the release or the date of any notice to Seller that Buyer is prepared to make final payment, whichever is earlier; and
 5. Claims for reimbursement of costs (other than expenses of Seller by reason of its indemnification of Buyer and the Government against patent liability), including reasonable expenses incidental

thereto, incurred by Seller under the provisions of this Order relating to patents.

76. PLACE OF PERFORMANCE.

- A. Seller shall perform work called for herein at Seller's plants as set forth elsewhere in this Order except for work to be accomplished by subcontractors.
- B. Seller shall promptly notify Buyer of any contemplated change in location for the performance of work from the locations designated above. Upon execution of an assignment, Buyer shall have no further rights or obligations with respect to the assigned services (with the exception of any unpaid service fees which remain due on the effective date of such assignment) and the divested entity shall become the "customer" of record for those assigned services. Any such assignment or other transfer of services made to a third party will be subject to the prior written consent of Seller which consent will not be unreasonably withheld or delayed.
