1. Stop work as specified in the notice.
 2. Place no further subcontracts or purchase orders (referred to as "Subcontracts" herein) for materials, services, or facilities, except as necessary to complete the continued portion of this Order.
 3. Terminate all Subcontracts to the extent they relate to the work terminated.
 4. Assign to Buyer, as directed by Buyer, all right, title, and interest of Seller under the Subcontracts terminated, in which case Buyer shall have the right to settle or to pay any termination settlement proposal arising out of those terminations.
 5. With approval or ratification to the extent required by Buyer, settle all outstanding liabilities and termination settlement proposals arising from the termination of Subcontracts; the approval or ratification will be final for purposes of this clause.
 6. As directed by Buyer, transfer title and deliver to Buyer:
 - (a) The fabricated or unfabricated Products, work in process, completed work, supplies, and other material produced or acquired for the work terminated; and
 - (b) The completed or partially completed plans, drawings, information, and other property that, if the Order had been completed, would be required to be furnished to Buyer.

 - (a) is not required to extend credit to any purchaser; and

- (b) may acquire the property under the conditions prescribed by, and at prices approved by Buyer.

The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Buyer under this Order, credited to the price or cost of the work, or paid in any other manner directed by Buyer.

- C. Seller shall submit complete termination inventory schedules no later than 60 days from the effective date of termination, unless extended in writing by the Buyer upon written request of Seller within this 60 day period.
- D. After termination, Seller shall submit a final termination settlement proposal to Buyer in the form and with the certification prescribed by Buyer. Seller shall submit the proposal promptly, but no later than three (3) months from the effective date of termination, unless extended in writing by Buyer upon written request of Seller within this three (3) month period. However, if Buyer determines that the facts justify it, a termination settlement proposal may be received and acted on after three (3) months or any extension. If Seller fails to submit the proposal within the time allowed, Buyer may determine, on the basis of information available, the amount, if any, due Seller because of the termination and shall pay the amount determined.
- E. Subject to paragraph D. above, Seller and Buyer may agree upon the whole or any part of the amount to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount, whether under this paragraph E. or paragraph F. below, exclusive of costs shown in subparagraph F.(3) below, may not exceed the total Order price as reduced by:
1. The amount of payments previously made; and
 2. The Order price of work not terminated. The Order shall be amended, and Seller paid the agreed amount. Paragraph F. below shall not limit, restrict, or affect the amount that may be agreed upon to be paid under this paragraph.
- F. If Seller and Buyer fail to agree on the whole amount to be paid because of the termination of work, Buyer shall pay Seller the amounts determined by Buyer as follows, but without duplication of any amounts agreed on under paragraph E. above:
1. The Order price for completed supplies or services accepted by Buyer (or sold or acquired under subparagraph B.(9) above) not previously paid for, adjusted by any saving of freight and other charges.
 2. The total of:
 - (a) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attribut-

- able to supplies or services paid or to be paid under subparagraph F.(1) above;
- (b) The cost of settling and paying termination settlement proposals under terminated Subcontracts that are properly chargeable to the terminated portion of the Order if not included in subparagraph F.(2)(a) above; and
 - (c) A sum, as a profit on subparagraph F.(2)(a) above, determined by Buyer to be fair and reasonable; however, if it appears that Seller would have sustained a loss on the entire Order had it been completed, Buyer shall allow no profit under this subparagraph F.(2)(c) and shall reduce the settlement to reflect the indicated rate of loss.
3. The reasonable costs of settlement of the work terminated, including:
 - (a) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;
 - (b) The termination and settlement of Subcontracts (excluding the amounts of such settlements); and
 - (c) Storage, transportation, and other costs incurred, reasonably necessary for the preservation, protection, or disposition of the termination inventory.
- G. Except for normal spoilage, and except to the extent that Buyer expressly assumed the risk of loss, Buyer shall exclude from the amounts payable to Seller under paragraph F. above, the fair value, as determined by Buyer, of property that is destroyed, lost, stolen, or damaged, so as to become undeliverable to Buyer or a buyer.
- H. The cost principles and procedures of Part 31 of the U.S. Federal Acquisition Regulation, in effect on the date of this Order, shall govern all costs claimed, agreed to, or determined under this clause.
- I. In arriving at the amount due Seller under this clause, there shall be deducted:
1. All unliquidated advance or other payments to Seller under the terminated portion of this Order;
 2. Any claim which Buyer has against Seller under this Order; and
 3. The agreed price for, or the proceeds from sale of, materials, supplies, or other things acquired by Seller or sold under the provisions of this clause and not recovered by or credited to Buyer.
- J. If the termination is partial, Seller may file a proposal with Buyer for an equitable adjustment of the price(s) of the continued portion of this Order. Buyer shall make any equitable adjustment agreed upon. Any proposal by Seller for an equitable adjustment under this clause shall be requested within 45 days from the effective date of termination unless extended in writing by Buyer.
1. Buyer may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by Seller for the terminated portion of this Order, if Buyer believes the total of these payments will not exceed the amount to which Seller will be entitled.
 2. If the total payments exceed the amount finally determined to be due, Seller shall repay the excess to Buyer upon demand, together with interest computed at the rate established by the U.S. Secretary of the Treasury under 50 U.S.C. App. 1215(b)(2). Interest shall be computed for the period from the date the excess payment is received by Seller to the date the excess is repaid. Interest shall not be charged on any excess payment due to a reduction in Seller's termination settlement proposal because of retention or other disposition of termination inventory until ten (10) days after the date of the retention or disposition, or a later date determined by Buyer because of the circumstances.
- K. Unless otherwise provided in this Order, Seller shall maintain all records and documents relating to the terminated portion of this Order for three (3) years after final settlement. This includes all books and other evidence bearing on Seller's costs and expenses under this Order. Seller shall make these records and documents available to Buyer, at Seller's office, at all reasonable times, without any direct charge. If approved by Buyer, photographs, microphotographs, or other authentic reproductions may be maintained instead of original records and documents.

15. TERMINATION FOR DEFAULT.

- B. If Buyer terminates this Order in whole or in part, it may acquire, under the terms and in the manner Buyer considers appropriate, supplies or services similar to those terminated, and Seller will be liable to Buyer for any excess costs for those supplies or services. However, Seller shall continue the work not terminated. In addition,

Buyer may rework or repair any Product in accordance with the Non-Conforming Goods clause herein, at Seller's cost.

- C. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both Seller and subcontractor, and without the fault or negligence of either, Seller shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for Seller to meet the required deliver schedule.
- D. If this Order is terminated for default, Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that Seller has specifically produced or acquired for the terminated portion of this Order. Upon direction of Buyer, Seller shall also protect and preserve Property in its possession in which Buyer has an interest.
- E. Buyer shall pay the Order price for completed supplies delivered or services performed and accepted. Seller and Buyer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property.
- F. Buyer shall, at its option, have the right to set off against, or appropriate and apply to the payment or performance of any obligation, sum or amount owing at any time to Buyer under this Order, all deposits, amounts, or balances held by Buyer for the account of Seller, any amounts owed by Buyer to Seller, and any sum Buyer determines to be necessary to protect Buyer against loss because of outstanding liens or claims of former lien holders.
- G. The rights and remedies of Buyer in this clause are in addition to any other rights and remedies provided by Law or under this Order.

16. BUYER'S PROPERTY.

- A. During the term of the Order, Seller shall, at its sole cost and expense, maintain a policy or policies of insurance covering the loss or destruction of or damage to all Buyer materials, tools, and equipment, special or otherwise, in which Buyer has an interest, in the amount of the full replacement value thereof providing protection against all perils normally covered in an "all-risk" policy, including but not limited to, fire, windstorm, hurricane, tornado, sandstorm, explosion, riot, civil commotion, aircraft, earthquake, flood, or other acts of nature during such time as they remain in Seller's possession.
