Any such proposed terms shall be void and the terms herein shall constitute the complete and exclusive statement of the terms and conditions of the contract between the Parties and may hereafter be modified only by written instrument executed by the authorized representatives of both Parties. Any of the following shall constitute Seller's unqualified acceptance of this Order and these terms and conditions: (a) acknowledgment of this Order; (b) furnishing of any part of the Products and/or Services under this Order; (c) acceptance of any payment for the Products/Services under this Order; or (d) commencement of performance under this Order.

Payment of Seller's invoices shall be subject to adjustment for any amounts found upon audit or otherwise to have been improperly invoiced. Buyer shall be entitled at all times to set off (a) any amount owing at any time from Seller to Buyer or any of its affiliated companies; (b) any damages resulting from Seller's default under or breach of any contract (including any order and these terms); (c) any adjustment for shortage or rejection and any associated costs, against any amount payable at any time by Buyer or any of its affiliated companies to Seller.
- 7. DEFECTIVE WORK**
- A. Notwithstanding any prior acceptance, Buyer may reject or require prompt correction of any Products or Services which are, in Buyer's judgment, defective in material or workmanship or otherwise fail to meet the drawings, designs, statement of work, specifications or other technical documents, or other requirements of this Order.
  - B. If Seller delivers defective or nonconforming Products or Services, Buyer may:
    - 1. Accept all or part of the defective or non-conforming Products or Services at an equitable price reduction or credit against any amounts that may be owed to Seller under this Order or otherwise; or
    - 2. Reject all or any part of a delivery or performance of defective or non-conforming Products or Services and demand delivery of conforming Products or re-performance of Services. - B. The foregoing warranties shall survive inspection and acceptance of, and payment for, the Product(s) delivered and Service(s) performed hereunder and shall remain in effect as to each Product furnished or Service performed and shall run to Buyer, its successors, assigns, and customers. These warranties shall not be deemed to limit any warranties of additional scope given to Buyer by Seller, nor limit Buyer's rights or Seller's obligations under any other provision of this Order, at law or in equity. No warranties are waived by Buyer supplying, reviewing, commenting upon, or approving plans, specifications, or Data, issuing changes to this Order, or inspecting or accepting the Product(s) or Service(s).

## **9. CHANGES**

- A. Buyer's PCO may at any time, by written order, and without notice to sureties or assignees, if any, make changes within the general scope of this Order. in (1) drawings, designs, statement of work, specifications, planning and /or other technical documents; (2) method of shipment, packaging, or packing; (3) time and place of inspection, delivery or acceptance; (4) reasonable adjustments in quantities and/or delivery schedules; (5) place of performance of the Service; (6) the amount of Buyer/Government furnished property; and (7) terms and conditions required to meet Buyer's obligations under its Prime Contracts, including, but not limited to, any mandatory flow-down clauses.
- B. If any authorized change causes an increase or decrease in the cost or time required to perform this Order, Buyer and Seller shall negotiate an equitable adjustment in the price and/or schedule, to reflect the increase or decrease. Buyer shall modify this Order in writing accordingly.
  - 1. Any claim for adjustment shall be unconditionally waived unless: (i) asserted in writing and delivered to Buyer within fifteen (15) days of the date of the written change order and (ii) a fully supported proposal is delivered to Buyer's PCO within thirty (30) days of the date of the written change order.
  - 2. If Seller claims the cost of any Product made obsolete or excess, Buyer shall have the right to prescribe the manner of disposition of the Product to include the right to acquire that Product for cost claimed.
  - 3. Buyer, its authorized representatives, and its customer have the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim. However, at Seller's request, in lieu of Buyer, a mutually agreeable third party can examine books and records to verify Seller's claim.
  - 4. Failure to agree to any adjustment shall be a dispute within the meaning of the "Disputes" clause hereof. However, Seller shall not be excused from proceeding with this Order as changed.
- C. Buyer's engineering, technical personnel and other representatives may from time to time render assistance or give technical advice or discuss issues or engage in an exchange of information with Seller's personnel concerning the Products or Services hereunder. No such action shall be deemed to be a change, nor shall it be the basis for an equitable adjustment, and no such action shall relieve Seller of its obligations under this Order.

## **10. GOVERNING LAW**

Both Parties agree that, irrespective of the place of performance of this Order, this Order will be governed, construed, and interpreted according to the law of the Commonwealth of Virginia, without regard to its conflict of laws principles. The 1980 United Nations Convention on Contracts for the International Sale of Goods and its related instruments will not apply to this Order.

## **11. DISPUTES**

- A. Any dispute arising under or in connection with this Order with respect to the rights, duties, or obligations of the Parties shall be submitted in writing for resolution to ascending levels of management of the respective Parties.
- B. If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within ninety (90) days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon in writing, either Party may bring suit only in the state or federal court located in the Commonwealth of Virginia. Seller consents to personal jurisdiction for this purpose in the Commonwealth of Virginia.
- C. Pending any prosecution, appeal, or final decision referred to in this clause, or the settlement of any dispute arising under this Order, both Parties shall proceed diligently, with their respective obligations under this Order.
- D. To the maximum extent permitted by law, the Parties waive any right to a jury trial.
- E. In no event shall Buyer be liable for anticipated profits, incidental or consequential damages. Buyer's liability on any claim, of any kind and for any loss or damage arising out of, connected with or resulting from this Order, or from the performance or breach thereof shall, in no case, exceed the price allocable to the Products and/or Services, or unit thereof, which gives rise to the claim. Buyer shall not be liable for penalties of any description. Any action resulting from any breach on the part of Buyer as to the Products and/or Services delivered hereunder must be commenced within one year after the cause of action has accrued.
- F. In no event shall Seller acquire any direct claim, or direct course of action against the United States Government (U.S.G.) except as approved by Buyer pursuant to this clause or as otherwise authorized by law.

## **12. TERMINATION FOR CONVENIENCE**

- A. This Order and any and all rights granted and obligations assumed hereby may be terminated in whole or part by Buyer giving written notice to Seller. Upon receipt of a notice of termination, and except as otherwise directed by Buyer, Seller shall immediately, as to the terminated portion of this Order and regardless of any delay in determining or adjusting any amounts due under this clause, promptly stop work, notify subcontractors to stop work, and protect property in Seller's possession in which Buyer has or may acquire an interest.
- B. As directed by Buyer, Seller shall transfer title and possession to Buyer of any inventory and property, including plans, drawings, and information held by Seller which is for Buyer's Order. In accordance with Buyer's instructions, Seller shall assign to Buyer all right, title, and interest of Seller under the subcontracts of Seller that are terminated, in which case Buyer shall have the right to settle or to pay any termination settlement proposal arising out of those terminations. With approval or ratification to the extent required by Buyer, Seller shall settle all outstanding liabilities and termination settlement proposals arising from the termination of Seller's subcontracts; the approval or ratification will be final for purposes of this clause.
- C. Seller shall submit a termination settlement proposal within sixty (60) days after the effective date of the termination notice incorporating all claims of Seller in the form and with the certification prescribed by Buyer. Seller and Buyer may agree upon the whole or any part of the amount to be paid because of the termination and the Order shall be amended and Seller paid the agreed amount. In no event shall payment to Seller exceed the total Order price as reduced by the amount of payments previously made and the Order price of work not terminated. The cost principles and procedures of FAR Part 31, in effect on the date of this Order, shall govern all costs claimed, agreed to, or determined under this clause.
- D. Unless otherwise provided in this Order, Seller shall maintain all records and documents relating to the terminated portion of this Order for three (3) years after final settlement. This includes all books and other evidence bearing on Seller's costs and expenses under this Order. Seller shall make these records and documents available to Buyer, at Seller's office, at all reasonable times, without any direct charge.

### 13. TERMINATION FOR DEFAULT

- A. Subject to paragraphs C and D below, Buyer may terminate this Order in whole or in part, by written notice of default to Seller if Seller:
1. Fails to deliver the Products or to perform the Services within the time specified in this Order or any extension;
  2. Fails to make progress so as to endanger performance of this Order or to perform any of the other provisions of this Order and does not cure that failure within a period of ten (10) days after receipt of the notice from Buyer specifying Seller's failure to perform; or
  3. Becomes insolvent or makes a general assignment for the benefit of creditors, or files or has filed against it a petition of bankruptcy or pursues any other remedy under any other law relating to the relief for debtors, or in the event a trustee or receiver is appointed for Seller's property or business; or assignment.
- B. If Buyer terminates this Order in whole or in part, it may acquire, under the terms and in the manner Buyer considers appropriate, Products or Services similar to those terminated, and Seller will be liable to Buyer for any excess costs for those Products or Services. However, Seller shall continue the work not terminated. In addition, Buyer may rework or repair any Product or re-perform any Service, at Seller's cost.
- C. If the failure to perform is caused by the default of a subcontractor of Seller at any tier, and if the cause of the default is beyond the control of both Seller and subcontractor, and without the fault or negligence of either, Seller shall not be liable for any excess costs for failure to perform, unless the subcontracted Products or Services were obtainable from other sources in sufficient time for Seller to meet the required delivery schedule.
- D. If this Order is terminated for default, Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any (1) completed Products, and (2) partially completed Products and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that Seller has specifically produced or acquired for the terminated portion of this Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest.
- E. Buyer shall pay the Order price for completed Products delivered or Services performed and accepted. Seller and Buyer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property.
- F. Buyer shall, at its option, have the right to set off against, or appropriate and apply to the payment or performance of any obligation, sum or amount owing at any time to Buyer under this Order, all deposits, amounts, or balances held by Buyer for the account of Seller, any amounts owed by Buyer to Seller, and any sum Buyer determines to be necessary to protect Buyer against loss because of outstanding liens or claims of former lien holders.
- G. The rights and remedies of Buyer in this clause are in addition to any other rights and remedies provided by law or under this Order.

### 14. BUYER PROPERTY

- A. Title to all property furnished to Seller by Buyer, or paid for by Buyer shall remain with Buyer. Seller shall not alter or use such property for any purpose or for any other party other than that specified by Buyer, without the prior written consent of Buyer. If Buyer agrees to pay Seller for acquisition of tooling and equipment, either separately or as a stated part of the unit price of Products purchased herein, title to the same shall pass to Buyer upon (i) commencement of processing for use in performance of this Order, or (ii) Buyer payment therefore, whichever occurs first.
- B. Seller shall assume the risk of, and be responsible for, any loss, theft, destruction of or damage to Buyer property while in Seller's possession or control. If Seller damages any property, Seller shall be responsible for making repairs at no cost to Buyer. Upon Buyer's written request to Seller for any property under this clause, if Seller cannot locate Buyer property within five (5) days, Seller shall notify Buyer that the item was not located and Seller subsequently has twenty (20) days to find the misplaced property. After such period, if it has not been located, the property shall be deemed "lost" and at Buyer's election, Seller shall either reimburse Buyer for the replacement and all related delay costs, or remake the lost property at no cost to Buyer.
- C. Seller shall return all such property in a condition as good as when received except for reasonable wear and tear. Seller shall establish and maintain a property control system approved by Buyer. At all times, Buyer shall have access to Seller's facilities for the purpose of reviewing its compliance with the management of Buyer property related to this Order.

### 15. TAXES AND DUTIES

The price of this Order includes all applicable foreign and domestic federal, state, and local taxes, duties, tariffs, and similar fees ("Taxes") levied upon, or measured by, the sale, the sales price, or use of Products and/or the performance of Services associated with this Order. Seller shall separately list on its invoice (or voucher) any Taxes. Seller shall comply with any reasonable request by Buyer regarding Tax payments under protest and shall make appropriate adjustments to afford Buyer the benefit of any refund or reduction in Taxes.

### 16. INFORMATION OF BUYER AND SELLER

- A. Unless expressly stated otherwise herein, the exchange of information under this Order shall be governed by this Order and, in particular this clause 16, which supersedes any prior agreement between Buyer and Seller to protect information relating to the purpose of this Order.
- B. Seller shall make no use, either directly or indirectly, of any of Buyer's Proprietary Information or any information derived therefrom, except in performing this Order, without obtaining Buyer's written consent and shall return Buyer's Proprietary Information upon Buyer's request.
- C. Seller agrees that all information heretofore or hereafter furnished or disclosed to Buyer by Seller in connection with the placing or performance of this Order is furnished or disclosed as a part of the consideration for this Order; that such information is not, unless otherwise agreed to by Buyer in writing, to be treated as confidential or proprietary; and that Seller shall assert no claims (other than for patent infringement) by reason of the use or disclosure of such information by Buyer, its assigns, or its customers and Seller shall not place any restrictive markings on such information. Any agreement purporting to provide for the confidential treatment of, or limiting the use of or disclosure of, Seller information so furnished or disclosed, must be in writing and signed by Buyer.
- D. All documents and other tangible media (excluding Products) transferred in connection with this Order, together with any copies thereof, are and remain the property of Buyer.
- E. Neither the existence of this Order nor the disclosure hereunder of Proprietary Information or any other information shall be construed as granting expressly, by implication, by estoppel or otherwise, a license under any invention or patent now or hereafter owned or controlled by Buyer or Buyer's customer, except as specifically set forth herein.
- F. Seller's obligations with respect to information or Data disclosed hereunder prior to the performance in full, termination or cancellation of this Order shall not, except as expressly set forth herein, be affected by such performance in full, termination or cancellation.

### 17. SUBCONTRACT DELIVERABLES

Seller agrees and acknowledges that all deliverables, or portions thereof, under this Order ("Deliverable Materials") may be incorporated into deliverables under the next higher tier or Prime Contract. Seller hereby grants Buyer the right to deliver the Deliverable Materials or any portion thereof under the next higher tier or Prime Contract. Seller further hereby agrees to deliver the Deliverable Materials under this Order with the appropriate markings required by the Government regulations incorporated into this Order.

## 18. INTELLECTUAL PROPERTY RIGHTS

- A. "Intellectual Property" means creations of the mind: ideas, inventions, works of authorship, and symbols, names, images, and designs used in commerce embodied in for example, technical data, designs, information, computer software, drawings, formulae, specifications, diagrams, processes, know-how, procedures and technology and legal rights in such creations of the mind.
- B. "Works" shall mean physical manifestations of Intellectual Property created under this Order.
- C. Intellectual Property developed or otherwise acquired by Buyer or Seller prior to or outside the scope of this Order ("Background Intellectual Property"), and any Intellectual Property Rights therein, shall be owned by the Party that developed or otherwise acquired the Background Intellectual Property and associated rights. Seller agrees to make prompt and complete written disclosure to Buyer of all inventions, Data, designs, procedures, processes, computer software and information conceived, made or developed as a result of work performed under this Order and all intellectual property rights therein ("Inventions"). Seller agrees to keep necessary records supporting such Inventions and discoveries and will furnish to Buyer upon request all such records.
- D. All Inventions resulting from the Works shall be the sole property of Buyer. Buyer shall have the full right to use such Inventions in any manner without any claim on the part of Seller and without any duty to account to Seller for such use. Seller agrees to assign to Buyer any patent or patent application resulting from work performed under this Order, and to provide reasonable support for Buyer's prosecution of such patent application. With respect to copyrightable Works, Buyer and Seller agree that any such works which qualify as commissioned works under the Copyright Act are considered "works made for hire" with copyright ownership in Buyer; otherwise, Seller agrees to assign, and does hereby assign copyright ownership of the works to Buyer. Seller shall not, unless otherwise authorized in writing by Buyer, disclose to anyone other than Buyer any Inventions or other Data developed under this Order or any information disclosed to Seller by Buyer and shall not use such Inventions or information for any purpose other than the performance of this Order. Such Inventions and information shall be considered Buyer Proprietary Information and marked as such by Seller.
- E. Seller shall not include any Background Intellectual Property or any third party Intellectual Property in any Intellectual Property delivered or provided hereunder without the express written consent of Buyer. Seller hereby grants, and agrees to grant to Buyer an unlimited, irrevocable, paid-up, royalty-free right and license to make, have made, sell, offer for sale, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, and prepare derivative works of any Background Intellectual Property hereunder owned by Seller therein.
- F. This Order does not confer or grant, in any manner whatsoever, any license or right under any patent, trademark, trade secret, mask work, copyright or other intellectual property right held by Buyer, unless specifically set forth in the body of the Order.
- G. If requested by Buyer at any time before closeout of this Order, Seller shall deposit, at Buyer's expense, copies of all information, such as manuals, computer programs/software, specifications, designs, drawings, procedures, and processes, whether or not copyrightable or patentable, which are necessary and sufficient to permit Buyer to make, have made, use, test, qualify, operate, install, integrate, sell, offer for sale and maintain the deliverables under this Order ("Required IP"), with a mutually acceptable escrow agent. The terms of such escrow arrangement shall be set forth in a mutually agreed upon escrow agreement ("Escrow Agreement"), including, without limitation, appropriate confidentiality provisions, provided, however, that such Escrow Agreement shall contain the Release Conditions as hereinafter defined.
- H. Buyer shall be entitled to receive a copy of Required IP; and Seller hereby grants to Buyer a nonexclusive, irrevocable, royalty free, worldwide nontransferable right and license to copy, use, modify or create derivatives of the Required IP to make, have made, use, test, qualify, operate, install, integrate, sell, offer for sale, maintain, upgrade and repair the deliverables if, and only if: Seller ceases doing business in the ordinary course; Seller becomes a party to any bankruptcy or receivership proceedings which are not dismissed within sixty (60) days; or Seller fails to meet the delivery schedule of associated with this Order as to be in default of this Order (after passage of any cure periods) ((A), (C) and (D) of this sentence are, collectively, the "Release Conditions").
- I. Buyer shall have the right to identify any item not included in the Required IP and request that it be added to the Required IP (either by addition to the escrow or, if the Required IP has been released to Buyer, directly to Buyer) in order for Buyer to exercise its rights and licenses hereunder. Seller shall, from time to time, update, the Required IP as deemed necessary by Seller to include all Required IP necessary for Buyer to exercise the license.

## 19. INTELLECTUAL PROPERTY INFRINGEMENT WARRANTY AND INDEMNITY

- A. Seller warrants that the performance of Seller under this Order, including any Services provided by Seller to Buyer, and the sale, use, or incorporation into manufactured Products of all machines, devices, material, software, and firmware which are not of Buyer's design, composition, or manufacture shall be free and clear of infringement of any valid patent, copyright, trade mark, mask works, or other proprietary rights.
- B. Seller shall indemnify, defend, and hold harmless Buyer, its directors, officers, employees, consultants, agents, affiliates, successors, permitted assigns and customers ("Indemnitees") from and against all claims, suits, actions, awards (including, but not limited to, awards based on intentional infringement of patents known at the time of such infringement, exceeding actual damages and/or including attorney's fees and/or costs), liabilities, damages, costs and attorney's fees related to the actual or alleged infringement of any U.S. or foreign intellectual property right (including, but not limited to, any right in a patent, copyright, industrial design or semiconductor mask work, or based on misappropriation or wrongful use of information or documents) and arising out of the performance of Seller under this Order or the manufacture, sale or use of Products delivered by Seller under this Order, or the provision of Services by Seller under this Order, by either Buyer or Buyer's customer ("Infringement Claims"). Buyer and/or its customer will duly notify Seller of any such Infringement Claim and Seller will, at its own expense, fully defend such Infringement Claim on behalf of the Indemnitees. Seller will have no obligation under this clause with regard to any infringement arising from (a) the compliance of Seller's new Product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of Products for other than their intended application in combination with other items when such infringement would not have occurred from the use or sale of those Products solely for the purpose for which they were designed or sold by Seller.
- C. If the manufacture, use or sale of a Product delivered by Seller under this Order is likely to be or is enjoined as a result of a suit, Seller, at no expense to Buyer, shall obtain for Buyer and its customer the right to use and sell the Product or shall substitute an equivalent Product acceptable to Buyer, at its sole discretion, and extend this indemnification thereto.
- D. Notwithstanding the foregoing, when this Order is performed under the authorization and consent of the U.S.G. to infringe U.S. Patents, Seller's liability for U.S. patent infringement under this Order shall be coextensive with Buyer's liability.
- E. For purposes only of this clause and clause 20 below, the term "Buyer" will include Northrop Grumman Corporation and all Northrop Grumman subsidiaries and all directors, officers, agents and employees of Northrop Grumman Corporation or any Northrop Grumman Corporation subsidiary.

## **20. INDEMNIFICATION**

Seller shall indemnify, defend, and hold harmless the Indemnitees, as defined in clause 19 above, from and against all costs, losses, expenses, damages, claims, suits, or any liability whatsoever (including attorneys' fees), arising out of or in connection with the work to be performed hereunder, or the Products to be sold hereunder, or any act or omission of Seller, its agents, employees, or subcontractors, except to any extent otherwise expressly provided for elsewhere within this Order. Seller also agrees to indemnify, defend, and hold harmless the Indemnitees from and against all costs, losses, expenses, damages, claims, suits, or any liability whatsoever (including attorneys' fees), arising out of or in connection with Seller's violation of any applicable laws, executive order or regulation. Buyer will inform Seller of any claim, demand or suit asserted or instituted against it and, to the extent of Buyer's ability to do so, permit Seller to defend the same or make settlement in respect thereof. If Seller fails to indemnify, defend, and hold harmless Buyer as provided in this clause, then Seller shall pay for any damages, attorney's fees, and any other fees, costs, and expenses that may be incurred by Buyer in the defense of any action related to this Order and/or in the prosecution of any action to enforce the provisions of this clause.

## **21. STOP WORK ORDER**

- A. Buyer may, at any time, by written notification to Seller, require Seller to stop all, or any part of the work called for by this Order for a period of ninety (90) days after the written notification is delivered to Seller, and for any further period to which the Parties may agree. The notification shall be specifically identified as a Stop-Work Order (SWO) issued under this clause. Upon receipt of the SWO, Seller shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the SWO during the period of work stoppage. Within a period of ninety (90) days after a SWO is delivered to Seller, or within any extension of that period to which the Parties shall have agreed, Buyer shall either (1) cancel the SWO; or (2) terminate the work covered by the SWO as provided for in "Termination for Convenience" of this Order.
- B. If a SWO issued under this clause is canceled or the period of that SWO or any extension thereof expires, Seller shall resume work. Buyer shall make an equitable adjustment in the delivery schedule or Order price, or both, and this Order shall be modified in writing accordingly if (1) the SWO results in an increase in the time required for, or in Seller's cost properly allocable to, the performance of any part of this Order; and (2) Seller asserts its rights to the adjustment within twenty (20) days after the end of the period of work stoppage.
- C. If a SWO is not canceled and the work covered by the SWO is terminated for the convenience of Buyer, Buyer shall allow reasonable costs resulting from the SWO in arriving at the termination settlement.
